The background is a solid teal color. On the left side, there is a vertical blue graphic consisting of several overlapping, stylized circular or leaf-like shapes. A large, brownish-orange silhouette of a hand is positioned in the center-left, with its fingers spread. Inside the hand silhouette is a collage of various photographs of students. The photos show students in different settings: some are sitting on the ground, some are standing and talking, some are wearing headphones, and some are holding books or papers. The overall theme is student life and community.

Section 26 – Student Discipline

26.1 Student Welfare and Formation Office

It is very important to maintain a clean discipline record that befits true Lasallian students of DLSU-D. This section aims to orient the students as to what SWAFO is all about, its mandate, the disciplinary proceedings, and the formation program.

26.1.1 SWAFO is in charge of the enforcement of student discipline policies, rules and regulations as stipulated in this Handbook. The following are the general functions offered by the Office:

26.1.1.1 Implementation of University policies and regulations regarding discipline;

26.1.1.2 Record-keeping of all offenses or violations of students;

26.1.1.3 Coordination with GSO and Head of Security in the implementation of the University policies rules and regulations;

26.1.1.4 Processing of student clearances and requests for certificate of good moral character;

26.1.5 Maintenance and promotion of peace and order in the campus;

26.1.6 Monitoring of activities of students and student groups on campus;

26.1.7 Coordination with other offices and units of the University regarding student discipline and behavior;

26.1.8 Investigation

26.1.8.1 investigation of students who violate University rules and regulations;

26.1.8.2 Preparation and submission of required investigation report of discipline cases to the SWAFO Director; and

26.1.8.3 Dialogue with students during their free time at SWAFO for purposes relative to their violation.

26.1.9 Formation Program

The Formation program is an option for students who have served/finished their sanctions (either suspension or alternative sanction) to secure a Certificate a Good Moral Character. Please see Appendix D for the specific guidelines.

26.1.10 Lost and Found

SWAFO acts as custodian of all surrendered lost and found items. Please see Appendix C for the specific guidelines.

26.2 Discipline procedure

SWAFO strictly adheres to the standards set by law, jurisprudence, and the Conduct of Christian Schools when carrying out disciplinary procedures.

Any person may file a complaint/report to SWAFO for any misconduct committed by students. For complaints/reports related to gender-based sexual harassment cases and other sexual offenses, these may be filed to CODI as stated in CHED Memorandum No. 3 series of 2022.

26.2.1 Upon receipt of the complaint/report, the Head of the Investigation Section shall carefully study and evaluate the same.

- If the report has no justifiable grounds, the section head shall automatically recommend to the SWAFO Director the dismissal of the same.
- If the report has justifiable grounds, the Section Head shall disseminate the case to the members of the investigation section.

26.2.2 The respondent-student shall be given notice in writing, through the investigator, of the nature and cause of allegation against them. The said student shall then be required to answer the allegation in writing within three (3) school days upon receipt of the notice. During that time, the student shall also be allowed to present evidence on their behalf. Failure/refusal on the part of the respondent-student to submit their statement within the prescribed period without valid reason shall be deemed as a waiver of their right to answer and defend himself/herself against the allegation.

26.2.3 The respondent student shall be scheduled for preliminary investigation:

- If the respondent-student willfully and voluntarily admitted the allegation, the assigned investigator shall prepare and shall thereafter serve the formal charge; and
- If the student denies the allegation, the investigator has the right to conduct follow-up investigations if the statements of the respondent student are doubtful.

26.2.4 During follow-up investigations, the investigator can gather additional pieces of evidence to clarify and verify the case at hand. Likewise, the investigator can invite the informant/complainant and/or their witnesses, if there are any, for questioning pertinent to the instant case. After follow-up investigations:

- If the investigator finds the allegation not meritorious, they shall draft an investigation report addressed to the SWAFO Director containing the dismissal of the case.
- If the investigator finds the allegation meritorious, they shall then prepare and serve the formal charge to the respondent student.

26.2.5 The investigator thereafter prepares the investigation report indicating their findings and recommendations. The same shall be submitted to the SWAFO director for a proper hearing.

26.2.6 After submission of the investigation report, the SWAFO director can call on the assistant to the director and the investigator in charge to discuss the case at hand.

26.2.7 The SWAFO director shall conduct a proper hearing in the presence of the respondent student. Thereafter, the Director shall render the decision on the disciplinary case at hand on the scheduled time and date. During the entire disciplinary proceedings, the student reserves the right to be assisted by counsel. However, the proceedings shall not be invalidated by the absence of one.

26.2.8 The decision of the SWAFO director shall be final and executory unless the student appeals the said decision. The appeal shall be filed before the University Discipline Board (UDB) within five (5) school days from the receipt of the decision.

Grounds for the consideration of appeals to UDB:

- Grave abuse of discretion on the part of the SWAFO Director.
- The absence of due process

26.3 The University Discipline Board

26.3.1 UDB may be convened to hear, deliberate, and decide cases on appeals submitted by students and on cases referred by the SWAFO Director which need the decision of the board.

UDB is composed of the following permanent members depending on the nature of the complaint:

- OSS Dean as chair. In their absence, the other members of the Board may elect from themselves a temporary chair
- College Dean/Associate dean (*of the appellant*)
- USG President or their representative
- POLCA president or their representative
- CSG of the college (*of the appellant*)

26.3.2 Procedure for appeal

26.3.2.1 An appeal shall be filed within five (5) school days after receipt of the decision. Such an appeal (5 copies) must be filed to OSS. The appeal shall contain a concise statement of the issues involved and the grounds relied upon for the appeal. It should be accompanied by a copy of the decision subject of the appeal.

26.3.2.2 A true copy of such documentary pieces of evidence shall be kept at SWAFO. One school day after the letter of appeal was submitted to UDB, SWAFO shall submit to the chair of UDB all original documents pertinent to the appeal for purposes of marking.

- 26.3.2.3** The OSS Dean convenes the board to determine the sufficiency of the grounds of the case subject of the appeal.
- 26.3.2.4** If the case subject of the appeal is without merit, or insufficient in grounds, or the questions raised therein are too insubstantial to require consideration, the board may dismiss the case subject of the appeal.
- 26.3.2.5** If the case subject of the appeal is sufficient on grounds or with merit, the board shall determine schedule/s of hearing.
- 26.3.2.6** The appellant and his parents/guardian shall be duly notified of the date/s of the hearing/s. If the parent/guardian cannot come, the same shall inform the board in writing within three (3) school days from receipt of the notice.
- 26.3.2.7** The board shall convene to hear the case subject of the appeal. In the event of the appellant's failure to appear during the hearing, the Board shall proceed ex-parte without prejudice to the appellant's appearance in subsequent hearings.
- 26.3.2.8** If hearing witnesses of the appeal is indispensable, the Board may hear witnesses, in the absence of the appellant. However, the presence of the appellant is a must unless such right is waived in writing. The presence of the SWAFO director to present the case shall be indispensable.
- 26.3.2.9** Real, testimonial or documentary evidence shall be limited to the allegations contained in the result of the investigation submitted by the SWAFO director. No new evidence can be entertained during the hearing.
- 26.3.2.10** The entire proceedings shall be documented and filed. The proceedings may likewise be audio/video-recorded by the Board. All documents of the proceedings shall be submitted to the chairperson, who shall have custody of such records. The parties may be furnished with a copy of the minutes.
- 26.3.2.11** As far as practicability is concerned, hearing on any appeal shall not last beyond one (1) calendar month from the date of the initial hearing. Postponements shall only be allowed due to highly justifiable causes as decided on by the Board.
- 26.3.2.12** The Board shall render a decision within ten (10) days from the date of the last hearing whether or not the parties submit their respective memoranda. The decision shall be in writing and shall state the reasons relied upon

in arriving at such decisions. Copies thereof shall be sent to all parties and submitted to the VCAR, College Dean/s concerned, Department Chair/s concerned, OUR, SWAFO, and CHED, if necessary.

26.3.2.13 The Board reserves the right to decide on the case subject of the appeal. Therefore, it may commute, reverse, or affirm the decision of SWAFO based on the documents presented.

26.3.2.14 The decision of UDB shall be final and executory within fifteen (15) school days after the promulgation of the decision unless a motion for reconsideration is submitted to the Board within five (5) school days from receipt of the decision. Such motion for reconsideration shall be on the ground that new evidence, which was not presented during hearings, has been discovered. The filing of the motion for reconsideration stalls the counting of the fifteen (15) school days from receipt of the Decision.

26.3.2.16 Each party shall only be allowed one postponement. Parties who wish to request postponement of hearing should be reminded of the following:

26.3.2.16.1 Request for postponement shall only be in writing.

26.3.2.16.2 Written request of postponement must be filed with the chair of UDB at least three (3) school days before the scheduled date of hearing.

26.3.2.16.3 The requesting party shall be notified in writing of the action taken thereon at least (2) days prior to the scheduled date of the hearing.

26.3.2.16.4 Notice to the parent or guardian on record shall be deemed sufficient notice for the purpose.

26.3.2.16.5 Written request of postponement filed beyond the prescribed period shall be denied, and the parties shall be required to be present at the scheduled hearing.

26.4 Formation Program

The Formation Program is intended for students who have committed a major offense and were given a sanction of either suspension or alternative sanction (office work). This aims to help students with violations recognize their mistakes and eventually learn from them. The following students shall be required to undergo the Formation Program:

- Students who have served/finished their sanction (either suspension or alternative sanction)
- Students who have committed a major offense, whether they are currently enrolled, have already transferred to another school, or have already graduated from this University

26.5 Peer Assistance Program

SWAFO, in its constant aim to reach out to as many students as possible, and to inculcate in the minds of students the value of discipline, has its own student auxiliary group known as the Peer Assistance Program. It is composed of volunteer students coming from different colleges who help SWAFO in promoting the importance of discipline, camaraderie and leadership among many students.

The major offenses committed by students warrant the imposition of the penalty of probation, suspension, alternative sanction, non-readmission, exclusion, or expulsion as defined below:

Sanction	Description
Probation* 1	the student is warned that future misconduct will not be tolerated but is permitted to continue their education, as long as the misconduct stops.
Suspension*2 and 3	As a penalty, suspension allows the higher education institution to deprive or deny the erring student from attending classes for a period not exceeding twenty percent (20%) of the prescribed total class days. While under investigation, preventive suspension may be imposed where the erring student is prohibited from entering the university premises and from attending classes especially when the evidence of guilt is strong, and the responsible university official is morally convinced that the continued stay of the student would cause sufficient distraction to the normal operations of the institution, or would pose real or imminent threat or danger to persons and property inside the institutions premises.
Non-readmission* 4	This allows the institution to deny admission or enrollment of an erring student for the school term immediately following the term when the resolution or decision finding the student guilty of the offense charged and imposing the penalty of non-readmission was promulgated.
Exclusion* 5	This allows the institution to exclude or drop the name of the erring student from the roll of students immediately upon resolution for exclusion was promulgated.
Expulsion* 6	A penalty wherein the institution declares an erring student disqualified for admission to any public or private higher education institution in the Philippines.
Alternative Sanction	An optional sanction given by the University, at the discretion of the SWAFO Director, to a student who has committed a major offense with suspension as the original sanction. The details about the alternative sanction are discussed during the promulgation of the decision.

The seriousness of the offense committed, taking into account the

mitigating and aggravating circumstances which are present, shall determine the gravity of penalty or sanction to be imposed, which are described in the table below:

Sanction	Description
1	Under probation for 1 year
2	Suspension of minimum of 3 school days to maximum of 5 school days
3	Suspension of minimum of 6 school days to maximum of 12 days
4	Non-readmission
5	Exclusion
6*	Expulsion

Note: Maximum days of suspension should be observed if the student opts to render the alternative sanction

** Cited from the Manual of Regulations for Private Higher Education of 2008*

If the student is a candidate for graduation or is transferring to another school but has not yet served their sanction, the student shall serve the equivalent penalty before the issuance of clearance.

All students who commit major offenses must undergo an intervention program (*see section 26.4*).
